The Founder

My Name is Aditya Dhawan, and I was Born in Faridabad, Haryana. My Parents have always taught me the value of Hard Work and a sense of compassion to those under my care. I am an alumnus from Punjab University, Chandigarh, where I received my Masters of Laws Degree. Upon my Admission back in 2015, I worked with the Chairman of the Bar Council of Delhi and during my Tenure in his Chambers at one of the Delhi District Court , I learned the Ropes on how to effectively represent many wonderful people during some of the most difficult times in their lives. As my experience grew I brought my skills to the Chambers of Shri A.S. Chandhiok, Senior Advocate (Former ASG) where I assisted Sir in the Draft and the Framework of the Insolvency and Bankruptcy Code'2016, during this, I had the privilege to hone may skills at both the Drafting and The Interpretation of the Laws, which developed a powerful and skillset and Skyrocketed my Confidence both inside and outside of the Court Rooms. Post this, I've also had an experience to visit various Tribunals and Adjudicating Authorities. I've also have had a first hand experience at developing a Real Estate Investment Fund, which aroused my Passion towards the Corporate and the Commercial World.

My only Aim throughout has been to Focus on the Clients problems and getting him a remedy in the most viable way, and not following the practice of Dragging the cases at the Courts. The Idea of Justice lies only at providing a Timely justice and not in lagging and dragging it to the Doomsday. And, when it comes to my Client, I feel that he has vested his weapon in me, so it has to be used Judiciously and on the Bullseye.
